CENTER FOR CHILDREN AND THEOLOGY

ANNUAL REPORT FOR 2020

DIRECTOR'S STATEMENT

Our work shifted significantly in 2020 with the onset of the pandemic. Sales dropped, but gifts from our appeal as well as PPP funds from the Small Business Administration got us through the spring.

Then two well-enrolled courses: Parent Toddler and CGS Essentials for the 3-6 Atrium, led by Davette Himes, and the sale of resources developed with Black Lives Matter in mind allowed us to finish the year "in the black."

The needs exposed by the pandemic have led us to continue hybrid courses to make the Atrium accessible to folks with time and travel barriers to the usual course formats.

Thanks to all of you for helping us to through the year and continuing to shape the work of the CCTheo.
